

Exquisite Colonial Home

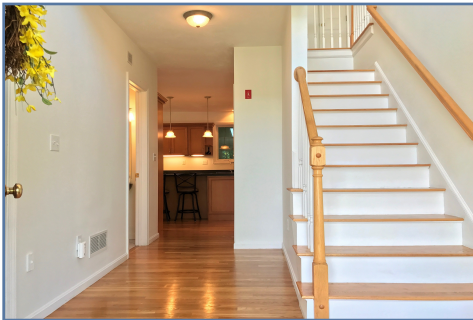

24 Ganawatte Drive is situated in a neighborhood / cul-de-sac setting, near major routes and public transportation. A cabinet packed kitchen opening to both a fireside family room and adjacent living room facilitates easy entertainment. With good size bedrooms, beautiful hardwood floors, a clean and open basement with a professionally landscaped yard - there's nothing to do but unpack your bags and enjoy this home instantly.

- Fantastic setting located at the end of a quiet, safe cul-de-sac. This home is conveniently situated near major routes
- Refinished hardwood flooring adds to the ambiance of the fireside family room and provides comfortable living space.
- 4 season glass surround room in back with heating, air-conditioning and ceiling fan.
- Master bedroom includes a master bathroom complete with jacuzzi tub.
- There are 3 spacious bedrooms featuring double closets and windows.
